#### IN FESTIVE PDRESS

The comparison of our store to a fairy palace may seem hyperbolical to the uninitiated. But with the curving grain of beautiful mahogany and the rich color-tones of oak, the brightness and delicacy of birds-eye maple in the hands of our skilled artists, the extravagance is pardonable the minute one enters our doors.

Under the gleaming rays of a Damas-cus lamp the mellowed Persian Rug is without rival-and no visitor departs Rare furniture designs for Christmas
